for rejuvenated skin

SHAMPOO CONDITIONER
Nourishes & smoothes
for silky, manageable hair

HOW IT WORKS

-  **BRACKET MOUNTED**
Bracket is placed inside the dispenser.
-  **INSERT KEY**
Insert the key vertically into the top-opening of the dispenser.
-  **UNLOCK**
Turn the key to unlock. The lock disengages.
-  **REMOVE BOTTLE**
Lift the bottle upwards and take it out.
-  **REFILL**
Refill the bottle with your preferred product.
-  **PLACE BACK**
Slide the bottle down into the dispenser bracket to lock.

To lock again: Slide the bottle down fully into the dispenser and turn the key to secure. Bottle is now locked in place.

DISPENSER SYSTEM

- Bracket fits the bottle perfectly.
- Only the pump is visible above the bracket.
- Concealed bracket after installation.
- Made from durable ABS material.
- Comes with a special key for added security.
